

English

In English, we will continue to work on writing in full sentences remembering to include a capital letter, finger spaces, use our Freddy fingers to sound out words and full stops. We will also start to use more adjectives in our writing when describing characters or settings.

We will be writing many stories this half term, retelling famous fairy tales or creating our own. We shall also be looking at writing instructions, letters and character descriptions. We will be using films as inspiration for writing this half term; the children will be watching Aladdin and Shrek.

Maths

In maths we will be continuing to solve addition and subtraction problems using Numicon to help use solve these problems. We will also be looking at using money in maths and the value of different coins. We shall also be looking at capacity and measure using different tools to help use solve measuring problems and begin to learn the different units of measure.

Design & Technology

We will be designing our own gardens for the fairy tale character Thumbelina.

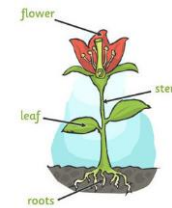

Would you like to live in a Folk Tale?

Year 1
Nov - Dec
2016

Science

We will be continuing our work looking at what plants need to survive and grow and naming the different parts of a plant. We will also continue to look at identifying different types of leaves and trees. We will then move onto looking at different seasons and answer why seasons change?

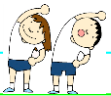

History and Geography

We will be looking at the story of Guy Fawkes and why we celebrate on the 5th November. In Geography we will be looking at different celebrations around the world, which happen around this time of the year.

PE

We will be focusing on multiskills and using different equipment to improve these skills. These skills include: kicking, throwing, running and jumping.

RE

We will be focusing on Christianity and mainly looking at the celebration of Christmas and why Christians celebrate the holiday.

ICT

We will be using the iPads and Stop motion apps to create our own fireworks display using Lego. We will also be using voice recorders and iPads to record and retell stories.

Music

We will be learning lots of Christmas songs and using instruments to express feelings in films.

Art

We will be using lots of different art materials to create pictures and crafts to celebrate Guy Fawkes and Christmas.
