

## Last week

We learnt about measurement using the mathematical language tall, short, tallest and shortest.

We used our senses to write a whole class poem together about fireworks.

Together we talked about Remembrance Day and the children made poppies and painted poppy pictures.

### literacy

Beginning to be aware of the way stories are structured.  
Writes own name and other things such as labels, captions

#### Activities:

- To listen to a story and say who the characters are.
- To write their names.
- To write a label for their toy.
- To ask questions about other toys.

#### Books

*The toy box - Mick Inkpen*  
*Dvd the forgotten toys*

#### PSED

Confident to speak to others about own needs, wants, interests and opinions

#### activities

Circle time talking about their toys.

## This week

### I wonder what toys you like?

#### EAD

The children will draw their favourite toys

#### Mathematics

Beginning to use everyday language related to money  
Shows interest in different occupations and ways of life.

#### Activities:

- To say what money is used for.
- To add up toys for sale in the toy shop.
- To recognise different coins.
- To revisit 2D shapes

#### PE

Please remember PE is outdoors on a Wednesday

### PHONICS

This week the children will learn sounds  
, y z zz qu  
Read and spell tricky words we, me,  
he, be, she

### Reading books

The children are starting to read very well. Thank you for the support you give your children at home. It makes a big difference to children's progress. Please continue to make sure the children bring their books in everyday so we can read with them.
