

This week we have been talking about how seasons change. We talked about autumn and what happens in autumn. The children enjoyed making leaf print pictures exploring the colour of paint. We went on an autumn walk and collected leaves to make a leaf collage. In maths we counted leaves and practised counting forwards and backs.

## Communication and Language/literacy

Gives meaning to marks they make as they draw, write and paint

Listens to stories with increasing attention and recall.

Activities:

Listening to the story of the enormous turnip.

Using a story mountain.

Acting out the story of the enormous turnip.

Talking about the characters in the story.

Drawing characters from the story.

### Books

**The enormous turnip**

### UW

Learning about how food is grown

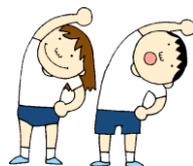

## This week The enormous turnip

## autumn/harvest

## PE every Wednesday

Please send your children to school dress in PE kit ( trainers, jogging bottoms, T shirt and school jumper

(we are only allowed to do PE outside at the moment so if it rains unfortunately we cancel it)

## Mathematics

Says the number that is one more than a given number.

Uses some number names and number language spontaneously.

Uses some number names accurately in play.

Beginning to use mathematical names for 'solid' 3D shapes and 'flat' 2D shapes, and mathematical terms to describe shapes.

Activities:

Numicon matching game.

Rolling a dice and saying the next number.

Recognising 2D shapes

Matching numbers to a number line

Saying one man went to mow

## EAD

Begins to build a repertoire of songs and dances.

Explores the different sounds of instruments.

## PHONICS

This week the children will learn sounds 'g o c k, '

Read tricky words **I the**

## LIBRARY BOOKS

Thank you for returning books on a **Friday** so the children can chose a new one.
