

## Last week

The children created their own cotton bus skeleton. We talked about the different types of bones in our bodies and their jobs. In maths the children have explored different shapes and their properties.

## Communication and Language/ Literacy

### reading

- Begins to break the flow of speech into words.
- Continues a rhyming string.
- Hears and says the initial sound in words.
- Describes main story settings, events and principal characters.

### Writing

- gives meaning to marks as they draw, write and paint.

### Activities:

Create and label own leaf man using leaves from the environment.

### Books

'leaf man' by Lois Ehlert

# This Week

# Autumn

## Maths

- Counting objects which cannot be moved.
- count fixed objects and actions.
- To say the next number on a number line.
- To recognise and match numicon.

### Activities:

Using numicon  
Counting leaves  
Chalk numbers  
Joining in with number rhymes –  
10 green bottles

## Physical development

### Activities:

Outdoor continuous provision/PE

## PE WEDNESDAYS

We will using the outside environment until half term so please send your children into school wearing jogging bottoms, trainers, t shirt and a school jumper/cardigan. We will not be changing into uniform due to covid.

## Library books

We will send a book home on Monday. Please return on a Friday so we can quarantine the books over the weekend.

## PHONICS

This week the children will begin to learn the sounds 'i n m d'  
**Read words: it, sat, in, pan, Sam, and**

**Reading books** – children will bring picture books home. These have no words as we want to encourage children to use pictures to retell stories which is a valuable skill in learning to read. Word books will follow very soon as the children learn sounds.
