### Pupil Premium Statement

Pupil premium funding is given to schools to support eligible groups of children. King's Park Infant School receives £1,345 for each child who is entitled to receive Free School Meals or who has been entitled to receive them over the last six years. We are required to publish online our pupil premium strategy.

Our aim is to provide experiences that enable all children to be independent and confident learners. We want our pupil premium children to achieve equal progress to other children with similar starting points. Our aim is to diminish the difference between pupil premium and non-pupil premium children by raising the attainment of pupils from low-income families.

In-School Barriers To Attainment For Pupils Eligible For Pupil Premium:	
A.	<b>Prior attainment</b> - many children come into school with low levels of attainment for reading, writing and maths. This is a significant barrier to accessing the curriculum.
B.	<b>Motor skills</b> - many children come into school with poor motor skills. This is a significant barrier to their writing.
C.	<b>Speech and language</b> - many children come into school with poor expressive and receptive language.
D.	<b>Social skills and confidence</b> - some children come into school finding it difficult to mix socially in group/whole class work

E.	<b>Family involvement</b> - lack of school involvement by families can be a significant barrier to a child's learning.
F.	<b>Attendance</b> - some of our pupil premium children have below average attendance.
G.	<b>Lack of cultural experiences</b> - many children have not had access to a range of visits/experiences to enhance their learning
<b>External Barriers To Attainment For Pupils Eligible For Pupil Premium:</b>	
H.	<b>Safeguarding concerns</b> - often learning and emotional well-being are affected.
I.	<b>Housing concerns</b> - inadequate housing causes anxiety for some of our pupil premium children.
J.	<b>Social and emotional difficulties</b> - additional support is required for our pupil premium children to develop confidence.
