

Last week

The children created their own leaf man pictures. We talked about the different colours in the leaves and how our environment changes through the seasons. In maths the children have explored numicon and matching amounts of objects to their number.

Communication and Language/literacy

reading

- Begins to break the flow of speech into words.
- Uses talk to connect ideas, explain what is happening and anticipate what might happen next.
- Hears and says the initial sound in words.
- Describes main story settings, events and principal characters.

Writing

- gives meaning to marks as they draw, write and paint.

Activities:

Wanted pea poster

Super veggies

Speech bubbles

Books

'Supertato' by Sue Hendra

This week

Supertato!

PHONICS

This week the children will begin to

learn the sounds 'g o c k'

Blend and read the high

frequency words and, on, not,

into, can, no, go

Mathematics

- To say the next number.
- To read an addition.
- To recognise a repeating pattern.
- To say the properties of 2D shapes.

Activities:

Potato printing – patterns and numbers

Hopscotch

Chalk numbers

Joining in with number rhymes

Physical development

Activities:

Outdoor continuous provision/PE

PE WEDNESDAYS

We will be using the outside environment until half term so please send your children into school wearing jogging bottoms, trainers, t shirt and a school jumper/cardigan. We will not be changing into uniform due to covid.

Library books

We will send a book home on Monday. Please return on a Friday so we can quarantine the books over the weekend.

Reading books – children will bring picture books home. These have no words as we want to encourage children to use pictures to retell stories which is a valuable skill in learning to read. Word books will follow very soon as the children learn sounds.
