

# Nursery Panda Class Newsletter

Over the next few weeks we will explore and share information about ourselves and our feelings.

We will make an 'all about me flower' and draw a picture of ourselves on a handprint.

W/C 7.9.2020

## Welcome to Nursery!

We hope that you all had a safe and happy summer holiday and are looking forward to beginning in the Nursery class at Grove House. The Nursery team are excited to start the new academic year and watching your children flourish and grow into keen learners.

The adults working with your children are very excited to meet the children and are looking forward to getting to know them.

Mrs Poynter will lead the learning with Mrs Barnard supporting as the teaching assistant.

Please can we remind you that your child should come to school with a water bottle, a pair of wellies (which can be left at school), a coat and a rucksack (with a change of clothes and underwear in as accidents happen), all of which should be clearly named.

We understand that these are difficult and challenging times for everyone but we look forward to welcoming you to experience a safe and caring environment where (once the children have settled) we encourage independence and challenge in all aspects of the children's learning.

At Grove House we complete our learning through topic questions.

We have lots of fun activities and topics planned for the year ahead and will be starting with the topic of 'I wonder Who I am?'. An overview of what we will be learning and the activities we will be completing are on the medium-term plan along with this newsletter.
