

English

In English, we will continue to work on writing in full sentences remembering to including different punctuation, finger spaces, use our Freddy fingers to sound out words. We will also start to use more adjectives in our writing when describing characters or settings. We will also be continuing to use conjunctions and time conjunctions in our writing to add more detail and think about how we are starting our sentences. We will be writing in many different forms this half term; stories, recounts, instructions, fact books and diary entries. We will also be looking at the book 'The Lion and The Unicorn' by Shirley Hughes.

Maths

In maths we will be continuing to solve addition, subtraction, multiplication and division problems using written methods. We shall also be looking at problem solving, solving problems which involve more than one step to solve them and revisiting fractions. We will also be working on improving our mental maths ready for junior school.

Design & Technology

We will be using a range of materials to create a model of an Anderson Shelter.

What was it like to be a child during World War 2?

Year 2
Apr-May
2021

Science

In science we will be continuing to look at the characteristics of a living thing. We will be using MRS GREN to help use to this. MRS GREN stands for: Moves, Respires, Senses, Grows, Reproduces, Excretes and Needs Nutrition. We will also be looking at things that are alive, dead or have never been alive and sorting these using the MRS GREN characteristics to help us.

History and Geography

We will be looking at the different countries involved in WW2 and the impact the war had on children. We will be looking into the changes the country had to go through to survive such as food rationing and looking at incidents such as the Blitz.

PE

We will be focusing on athletics this half term in preparation for sports day. We will be taking part in many different track and field sports.

RE

We will be focusing on Judaism looking at the celebrations of Jewish people and the stories that related to the celebrations.

Computing

We will be using iPads and laptops to create fact files and research on the internet what life was like for children during WW2 when evacuated.

Music

We will be learning how to express feelings though music as well as using different tuned and untuned instruments and learning war time songs.

Art

We will be using a range of different materials to recreate some famous artwork from WW2 as well as creating our own propaganda posters.
