

## English

In English, we will continue to work on writing in full sentences remembering to including different punctuation, finger spaces, use our Freddy fingers to sound out words. We will also start to use more adjectives in our writing when describing characters or settings. We will also be continuing to use conjunctions and time conjunctions in our writing to add more detail and think about how we are starting our sentences. We will be writing in many different forms this half term; stories, recounts, instructions, fact books and diary entries.

## Maths

In maths we will be continuing to solve addition, subtraction, multiplication and division problems using written methods. We shall also be looking at telling the time to the nearest 15 minutes as well as solving problems using time. We will also be revisiting fractions of a number, shape or amount.

## Design & Technology

We will be creating our own shoebox rainforest habitats.

### What might we find in the Rainforest?

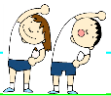

Year 2  
Jun - Jul  
2021

## Science

In science we will be looking at the characteristics of a living thing. We will be using MRS GREN to help use to this. MRS GREN stands for: Moves, Respires, Senses, Grows, Reproduces, Excretes and Needs Nutrition. We will also be looking at things that are alive, dead or have never been alive and sorting these using the MRS GREN characteristics to help us.

## PE

We will be focusing on multiskills and using different equipment to improve these skills. These skills include: kicking, throwing, running and jumping.

## Computing

We will be using the stop motion app to create a stop motion movie of the 'football match' scene from Bed knobs and Broomsticks to share with Year 1 and Reception classes.

## History and Geography

We will be looking at the location of the Rainforest as well as the rainforest as a habitat. We will also be looking at local history how the rainforest changes over time and discuss what would happen if we do not look after our rainforests.

## RE

We will be focusing on Judaism looking at the celebrations of Jewish people and the stories that related to the celebrations.

## Music

We will be learning how to express feelings though music as well as using different tuned and untuned instruments.

## Art

We will be using a range of different materials to create a layered image of the rainforest with 3 - 5 hidden animals in the picture. We will be focusing on drawing and painting.
