Dear Parents/Carers

We are encouraging reading at home as reading to and with your child every evening for at least ten minutes can make a dramatic difference to a child's achievement within school.

Staff are constantly developing ways to encourage children's love of books and reading at Grove House Infant and Nursery School. Reading is happening all the time at school on a one to one basis and during guided reading sessions. Reading is also promoted across all of the different subject areas.

Our latest exciting promotion of reading is a **'reading race track competition'** which is a fun way to encourage children to read at home. This is how it works...

Each time a child reads at home they will move along the track and will be rewarded with special prizes or privileges along the way. When they get to the end of the track they will receive a book in celebration assembly to keep. We will have a selection trolley of story and information books which they can choose from.
