## Food Vouchers for Free School Meal Eligible Pupils April to October 2022

Norfolk County Council has provided details of their new Norfolk Cost of Living Support Scheme, to support families in need.

This includes a monthly voucher award for children eligible for means-tested free school meals (FSM), as well as additional support for families through the Norfolk Assistance Scheme.

The council is topping up £6.7m of Government funding from the Household Support Fund with a further £1m to help a range of groups who are struggling to pay for food, fuel and other essentials.

£4.6m is being used directly to benefit children and families with a monthly allocation of EdenRed vouchers for children eligible for free school meals. This includes children in the early years who receive EY Pupil Premium. Vouchers will be ordered this week. You will receive two vouchers; the first for April - August (available this week) and the second for September and October (available September).

Remember, if your circumstances change and you think you may be eligible please register and apply on line at:

### Families in hardship and needing wider support

In addition to the offer of FSM vouchers for eligible families, there is support available for families who are facing hardship and need support.

Anyone experiencing hardship may be able to receive support through the Norfolk Assistance Scheme (NAS), which may be able to provide support for food, fuel, clothes and other essential household items to families experiencing hardship. Wider support from a range of partners can then also be made available with NAS working alongside the Children's Services Community and Partnerships service.

Families may get in touch with NAS via their dedicated website which includes an online application form, at
