

English

In English we will be focussing on writing sentences with full stops, capital letters and finger spaces. As well as segmenting and spelling using our phonics sounds. We will also be looking at using adjectives in our writing to make it even more exciting! We will be learning the story Traction Man using Pie Corbett actions and then rewriting this story. We shall also be learning how to write instructions as well as invitations to our toy party!

Maths

In maths we will continue to develop our understanding of numbers to 10. We will be learning that you can represent these numbers using concrete resources and pictorial representations. We will then begin to solve addition and subtraction number sentences and problems. We will use lots of different resources to help with this learning including Numicon, Base 10, counters, number tracks and ten frames.

Design & Technology

We will be designing, creating and evaluating some different toys including a penny spinner and a robot!

History

We will be learning all about toys from the past and look at how toys have changed.

I wonder who can save the toys?

Year 1
Sept - Oct

Science

In Science we will be focusing on animals this half term, naming and identifying a variety of different animals. These include fish, amphibians, reptiles, birds and mammals and pets. We will look at what animals including humans need to survive and grow and what keeps us healthy. As well as sorting animals according to their similarities and differences. We will also look at the different materials our toys are made from.

PE

We will be focussing on basic movements including running, jumping throwing and catching. Developing our balance, co-ordination and agility.

Computing

We will start of by understanding the importance of E Safety.

RE

We will be looking at harvest this half term and what harvest means to Christians. We will also be looking at what Christians believe.

Music

We will be singing lots of new songs about Harvest.

Art

We will begin using our sketch books each week practicing lots of different drawing techniques. We will be creating a teddy bear painting and learning how we can use the paint in different ways to create textures.
