## Grove House Infant School

Welcome to Year 1! We hope you had a lovely summer holiday and are ready for an exciting year at Grove House. Our topic question this half term is 'I wonder who can save the toys?' A topic overview will follow shortly so you can find out what your child will be learning this half term. Please come and ask us if you have any questions.

Mrs Latham and Mrs Elson

### Year 1 Summary

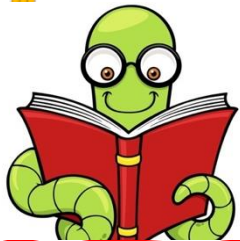

This year our topics will be looking at Toys, The Arctic, Fairy tales, Bugs and Insects, Superhero's and The Ocean.

The children will explore the history, geography, art and design and technology that these topics offer. They will also cover Science, Music and Computing alongside these topics. The children's maths and English lessons will also be linked to these topics to make their learning more exciting and purposeful.

They will also have lots of opportunities to learn through playing and exploring both inside and outside.
