

## English

In English, we will continue to work on writing in full sentences remembering to including different punctuation, finger spaces, use our Freddy fingers to sound out words. We will also start to use more adjectives in our writing when describing characters or settings. We will also be continuing to use conjunctions and time conjunctions in our writing to add more detail and think about how we are starting our sentences. We will be writing in many different forms this half term; stories, recounts, instructions, fact books and diary entries.

## Maths

In Maths we will be continuing to solve addition, subtraction, multiplication and division problems using written methods. We shall also be looking at statistics focusing on retrieving data from tally charts, tables and block diagrams. We will then move on to position and movement. We will be learning how to describe this using the correct vocabulary.

## Design & Technology

In DT, we will be making moving parts in a shoebox model of the rainforest.

I wonder if we should explore the rainforest?

Year 2  
Jun - Jul  
2024

## Science

In Science we will be looking at the how we can best protect wildlife. We will be revisiting the needs of living things and looking and how best to care for living creatures. We will then be creating habitats for minibeasts. Finally, we will be revisiting life cycles by comparing different life cycles of humans and animals and thinking how they are similar and different.

## Computing

We will be using different forms of technology to research different animals found in the rainforest as well as learning how to use a computer to type and send and receive emails.

## History and Geography

We will be looking at the location of the rainforest. We will also be looking at the continents of the world and where in the world we can find the rainforests. We will be looking at over time how the rainforests have changed and how we can help save the rainforests.

## PE

We will be focusing on multiskills and using different equipment to improve these skills. These skills include kicking, throwing, running and jumping. We will also be preparing for sports day by practicing our races.

## RE

We will be focusing on Hinduism looking at the celebrations of Hindus and the stories that related to these celebrations.

## Music

We will be learning how to express feelings though music as well as using different tuned and untuned instruments.

## Art

In Art, we will be creating artwork which shows the different layers of the rainforest. We will also be creating artwork of animals that can be found in the rainforest using different materials.
