

English

In English, we will continue to work on writing in full sentences remembering to include a capital letter, finger spaces, use our Freddy fingers to sound out words and full stops. We will also start to use more adjectives in our writing when describing characters or settings. We will be writing in many different forms this half term; stories, recounts, instructions, fact books and diary entries. We will be using texts such as The Egg, Tell me a Dragon and George and the Dragon to support our writing.

Maths

In maths we will be starting our work looking at fractions. We will be finding the fractions $\frac{1}{2}$ $\frac{1}{4}$ $\frac{3}{4}$ and $\frac{1}{3}$ of a shape, number, and amount. We will also be problem solving using fractions. Following fractions, we will be completing our block of learning looking at time. We will be telling the term to the nearest 5 minutes as well as solving problems involving time.

Design & Technology

We will be designing and building our own castles out of junk modelling materials.

I wonder what it was like to be a knight?

Year 2
Apr - May
2024

Science

In science we will be looking at what plants need to survive and grow. We will then start to look at the life cycles of humans, amphibians, and butterflies.

History and Geography

We will be looking at what life was like in a castle as well as looking and recreating the battle of Hastings. We will be recreating the battle as well as labelling and identifying different parts of a castle.

PE

We will be focusing on multiskills and using different equipment to improve these skills. These skills include kicking, throwing, running and jumping.

RE

We will be focusing on the religion of Sikhism. We will be looking at the beliefs of Sikhs as well as listening to stories from this religion.

Music

We will be learning how to express feelings through music as well as using different tuned and untuned instruments.

Art

We will be using a range of different materials to create artwork to show the battle of Hastings as well as using junk modelling materials to create shields and weapons for our re-enactment.
