

Last week

We learnt all about ourselves and each other. We talk about what we like and are good at as well as who is in each person's family. The children were super at telling their friends all about their families using the photos you sent and we loved the pet photos too! We began Phonics last week learning m,a,s,d and t! It is great if you have some time at home to watch the videos too to help consolidate our learning!

Understanding the world

This week we will be learning about the different people in our society and jobs they do. We will be talking about what children want to be when they are older too!

Communication and Language

We will be reading the story A Superhero like you to introduce the children to different jobs. Then we will end the week with What the Ladybird Heard. This will be taught through Drawing Club which helps immerse the children into a world full of imagination where we will be bringing the story to life! We will begin by drawing a police man/woman and a trap to stop the robbers from coming back!! Then the magic happens the children add letters and numbers to their pictures to make 'something magical happen to their character/trap'. These 'magical passcodes' help encourage them to write!

Activities:

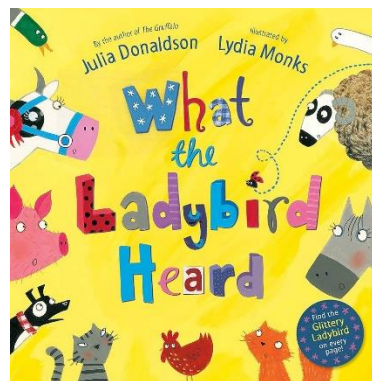

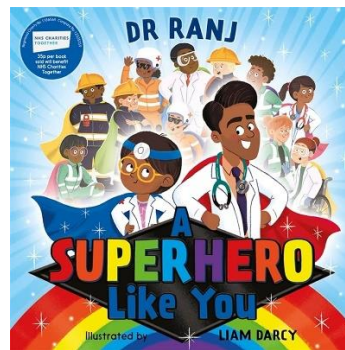

Painting pictures of what they want to be

Making hats for different jobs

Mark making

This week

I wonder who I am?

Mathematics

This week we will be learning how to sort objects and noticing how objects have been sorted. Things may be sorted by colour, size, type, pattern etc.

Sorting pompoms

Sorting counting objects

LIBRARY – Thursday

The children will visit the library and choose a book to share with you at home. Please bring library books back every Thursday so the children can change them.

PE - We will do PE on Tuesday this week.
