

English

In English we will be focusing on writing sentences with full stops, capital letters and finger spaces. As well as using our fred fingers to spell using our phonics sounds. We will also be looking at using adjectives in our writing to make it even more exciting! We will be learning the story Traction Man using Pie Corbett actions and then rewriting this story. We shall also be learning how to write instructions and will read the story of Old Bear.

Maths

In maths we will continue to build on what we learned in Reception. We will be doing lots on the numbers to 10. Looking at place value and the different ways we can represent numbers. We will look at more than and less than comparing numbers and start to use a number line.

PE

We will be focussing on basic movements including running, jumping throwing and catching. Developing our balance, co-ordination and agility.

RE

We will be looking at harvest this half term and what harvest means to Christians. We will also be looking at what Christians believe.

Design & Technology

We will be designing, creating and evaluating our own toy.

I wonder who can save the toys?

Year 1
Sept - Oct

Computing

We will start of by understanding the importance of E-Safety.

Music

We will be singing lots of new songs about Harvest. As well as using the music scheme Charanga.

History

We will be learning all about toys from the past and look at how toys have changed over time.

Science

In Science we will be focusing on the human body. We will start by identifying and naming parts of the human body then labelling these. We will then focus on each of the five senses

- Sight
- Sounds
- Taste
- Touch
- Smell

Art

We will be sketching our favourite toy as well as sketching a design for our own toy creation. We will be painting a teddy bear thinking about our brush strokes.
